

Toys, games and books preparation advice:

- Puzzles and games to be complete and in good condition. Please tape the box shut, putting a note on the box to indicate it is complete. If it is a wooden puzzle please tape all pieces to the base board.
- Toys to be in good working order with no missing pieces. All sets or loose pieces please attach/keep together in a bag.
- Craft items. A few items grouped together into a bag, e.g. colouring pencils and colouring books / paints, paper and a bib and the suggested age noted.
- Books with no rips, stains or teared pages.

Thanks so much!
