

Little Village Trustee Recruitment

Welcome

Our dream is that every child in the capital has the essential things they need to thrive, and that everyone can play a part in achieving that goal.

Are you passionate about tackling child poverty and motivated by Little Village's values of Love, Solidarity, Thriving and Sustainability? Do you believe in our model of bringing families together to help each other? Would you enjoy working in an environment of a small, ambitious and relatively new organisation?

If so, you could be the person we're looking for to help support Little Village on the next stage of our journey. We're ambitious to expand our work with families in London and to further build our work as a 'force for change' to tackle child poverty. To help achieve that, we're looking for new Trustees to join our board in 2021.

We want our board to reflect the communities we work in and to have a range of different voices within it. We know that diverse groups of people make better decisions. We also know that we will be stronger and more relevant as board that reflects the racial and social diversity of our Little Village family.

We are fully committed to changing this and in this round of Trustee recruitment we are determined to recruit individuals who are Black, Indigenous and People of Colour and those with real life experience of the challenges we're tackling. We're also looking for individuals who can bring their experience of campaigning and advocacy to help drive our policy work focused on ending child poverty.

We don't ask candidates to have any previous experience of board or leadership roles. We are looking for people who really care about the work we do and are able to contribute to the work of the board. We are committed to supporting you to develop new skills in your role as our Trustee, for you to take beyond your time with us. We are also committed to developing our own skills and culture to ensure we are an inclusive board.

If joining the Little Village family sounds interesting, we are very much looking forward to hearing from you.

Olivia Gillan-Bower

Interim Chair

About Little Village

Little Village is like a food bank, but for clothes, toys and equipment for babies and children up to the age of 5. We accept donations of excellent-condition, pre-loved items, which are passed on to families who need support. The items are a gift, given with love, from one family to another.

We operate out of three main centres in London and are powered by an incredible group of committed volunteers. We've grown to be one of the largest 'baby banks' in the UK, supporting over 11,000 children since we launched in 2016 – including 6,950 children in 2020 alone. More information about what we do is on our [website](#).

Although we call ourselves a 'baby bank', we provide so much more than just high-quality kit to families – at the core of what we do is a desire to build connections across communities, and to create opportunities for people to thrive.

We're committed to alleviating child poverty and we strongly believe that every child deserves the best possible start in life. Our 'force for change' work, tackling child poverty, is a central part of what we do – we focus on changing unhelpful and damaging attitudes and beliefs as well as campaigning for policy change. Our [recent report](#) 'It takes a village', which was produced with the Joseph Rowntree Foundation, describes the scale and reality of child poverty in the UK and the urgent need for action.

Our vision and values

Our dream is that every child in the capital has the essential things they need to thrive, and that everyone can play a part in achieving that goal.

Our mission is to make it as easy as possible for families to help each other to thrive.

Everything we do – from how we gift on donations, to how we look after our volunteers, to how we manage our staff team – is grounded in our four values:

Solidarity

We bring people together across economic and social divides, united in a shared belief that every parent deserves to give their kids the best possible start in life.

Love

Everything we pass on to families is a gift, not a handout. We see love as an action – an act of donating precious baby kit, of volunteering valuable time and of offering solidarity during tough times.

Sustainability

We achieve our mission whilst treading lightly on the planet, joining forces with other parts of the circular economy to reduce waste and promote re-use.

Thriving

This means having a sense of agency, belonging, and hope. And these are the qualities we focus on in how we work as well as what we do.

Amy's story

Amy first visited Little Village in 2018, when her baby, "R" was 3 months old. "I'd left home with my baby and one bag. It was a violent and chaotic environment and it wasn't safe for me or R." With the help of a social worker, Amy escaped and found herself living in a refuge in a new area, with no support, friends or family, and absolutely nothing for her baby. "My refuge worker told me about Little Village. I was embarrassed to ask for help but I soon realised there was no need to feel ashamed. They gave me absolutely everything: a pram, clothes, bottles, nappies."

As well as providing all the baby gear, Amy found the emotional help and friendly environment a source of support. "The day I came to Little Village was the first time anyone had ever made me a cup of tea. It makes me emotional now to think about it."

Amy came back to Little Village when R was 6 months old, returning the items he'd outgrown and collecting the next size up, and offering to volunteer. And she's been back every week since, and now runs our creche to enable other parents to volunteer with us. "I've made friends here and Little Village now feels like a home to me."

“

The day I came to Little Village was the first time anyone had ever made me a cup of tea. It makes me emotional now to think about it.

Being a Little Village Trustee

Trustees, along with our families, volunteers and staff, are one of the four key groups of people who make up Little Village.

We need your life experience, knowledge and skills to ensure that we continue to be relevant and fulfil our purpose.

As a Trustee you will be part of the Little Village team that:

- Sets our direction and purpose
- Connects us to our communities
- Supports our staff who manage and run the charity
- Promotes and always acts in the best interest of our charity

What we're looking for

When recruiting new Trustees to our board, we look for people who are:

- Collaborative and flexible
- Able to represent and speak for Little Village
- Able to offer constructive challenge and think creatively
- Committed and responsible
- Passionate about our cause and our values

We always aim for our Trustee board to have a mix of skills and backgrounds. We are recruiting a number of new trustees and so this is an opportunity for a shift in our culture. Particular things we're looking for this time are:

- Real life experience or knowledge of Black, Indigenous and People of Colour communities in the UK and ideally London
- Real life experience of child poverty in the UK and ideally London (this might be your own experience, but could also be that of a partner or family member)

For one of the group of new trustee roles we are also looking for:

- Experience of campaigning, advocacy and policy work focused on system change, ideally with knowledge of issues related to children, poverty or the benefits system. The Trustee would support our evolving work in this space as we communicate the nature of poverty for families with young children and consider how we can campaign for solutions

We would also welcome applications from candidates with experience of HR and employment law, marketing or safeguarding. However, experience in any of these fields is not a priority.

Time commitment

Our board meets four times a year, typically in central London (although remotely at present), for about three hours, as well as holding an annual strategy away day in June/July.

Trustees often also sit on a sub-committee or sub-group such as Finance, or they offer additional support and advice when needed – this could be by supporting on fundraising or recruitment or by advising on the tone and content of our communications to make sure they are accessible.

It's really important to us that Trustees are fully engaged in the work that Little Village does and that they regularly interact with families, volunteers and staff members. Our Trustees all commit to doing four volunteering sessions a year at one of our sites. Our volunteering sessions take place in the day or during the evening, and attendees are welcome to bring their children.

We are keen to work with Trustees to run our meetings in ways, at times and at places that are as accessible as possible. We're always happy to pay travel and childcare expenses to enable Trustees to attend. We are also willing to compensate Trustees for loss of earnings during the time they spend at Trustee board or sub-committee meetings.

Trustees are normally appointed for three years. This term is sometimes then extended for a further three years to a maximum term of six years.

Joining Our Board

If you join our board, we start by working with you to identify how to fulfil your potential as our Trustee. This could include:

- support for you to grow into your role, for example taking part in training on governance or accounting or meeting with you in advance to talk through papers
- development for us to become more inclusive e.g. in terms of how or when we run our meetings
- identifying the best ways in which to work together, for example using WhatsApp to flag when a decision has been requested via email, or holding certain meetings virtually

We will provide all new Trustees with a comprehensive induction which introduces them to the work that Little Village does and enables them to meet staff and volunteers. We will also provide continuing support for Trustees. For example, someone who hasn't been a Trustee before can be partnered with a 'Board Buddy', another Trustee who's happy to be on hand for advice and support.

We want all our Trustees to contribute to the work we do, but we hope in return that their engagement with Little Village is a development opportunity for them too.

Our Chair conducts an annual review with each Trustee to ensure that they are supported in their role, able to make a full contribution at meetings and that they have been able to use their position as a Trustee to help with their own development. We are also committed to reviewing our board culture and inclusivity annually.

Our Other Trustees

Our other Trustees come from a range of backgrounds in the charity, public and private sectors. Some have previous experience of being charity Trustees, some are newer to board membership. You can read about them [here](#).
