### Before donating:

- If your buggy has multiple parts, each part should be clearly labelled, e.g. 'part 1 of 3'
- **Buggies should meet the following safety standards:**
  - > Reference the following safety standard somewhere on the product – BS 7409 or BSEN 1888:2003
  - > Brakes in full working order
  - > Wheels in full working order or replacement ones provided
  - > Can fold securely (so can be folded and moved without coming undone)
  - > Will lock in to place when unfolded
  - > Harness intact and in working order
  - > Free of any damage that could compromise safety or stability
  - > In a condition you would be happy to use for your child

Discarding broken/unwanted items costs us valuable time and money. Please adhere to this guide when donating your items.
