About Little Village

Little Village makes a big difference to families with babies and young children living in poverty across London. Via our network of baby banks, we pass on loved goods from one family to another: clothes, toys and equipment so that many more babies and young children have the essential things they need to thrive.

Families either visit a Little Village hub, or items are packed with care and delivered to their home. But it doesn't stop there. We also connect families into a wider network of support, helping them to build and extend their own 'village'. Our values of love, solidarity, thriving and sustainability underpin everything we do.

Thanks to the generous donations of loved items, precious time and money, since we launched in 2016, Little Village baby banks have supported more than **36,700 children**. In 2025, Little Village supported children 11,808 times, reaching families in every London borough. But the demand for help still outstripped our capacity to respond week on week. This role will play a crucial part in helping us to build awareness of Little Village, to grow support for our work, and ultimately, to reach more children with the things they need.
